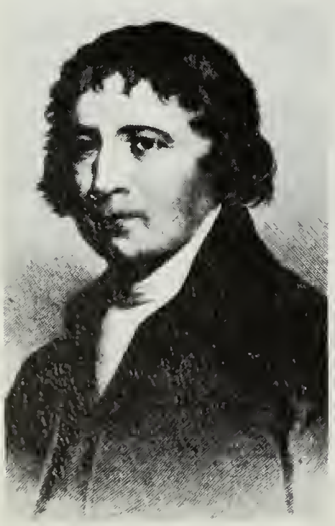
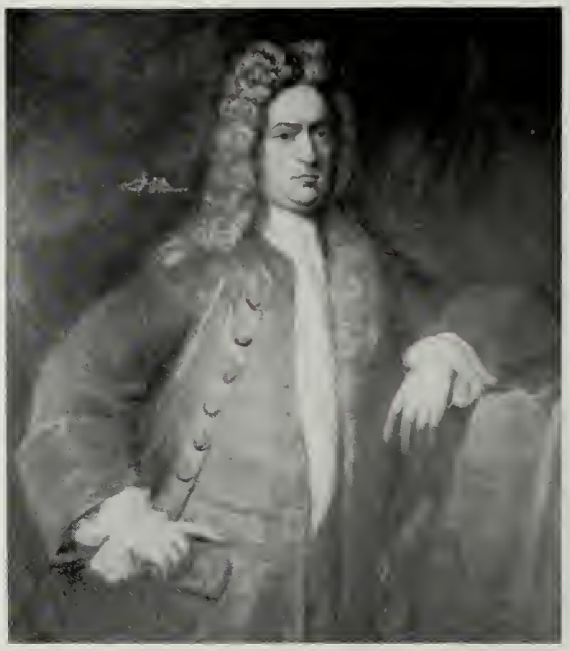
DEDICATION

In the first decades after the birth of the United States, America was faced with many great challenges and perils both home and abroad. "It was a period during which the new nation charted a pathway to security and prestige," but first she had to win the war for independence. To do all these things America needed men of great capability, courage, foresight, and initiative. For this she looked upon the scattered educational centers of the day: places such as Dummer Academy and Harvard College. Many graduates of this academy did help America achieve greatness under the influence of its first Preceptor, Master Samuel Moody.

We can only allude to a few of the 525 boys who graduated under Master Moody "At the top of the list stands Theophilus Parsons and Rufus King." King was an able, showy, ambitious man who wielded great power in the U.S. Senate. He was skillful in diplomacy, and was as much at ease in the drawing rooms of princes, as he was with his comrades on the school green. He was four times elected to the Senate, and was later twice defeated candidate for the Vice-Presidency of the U.S. as well as a defeated Federalist candidate for the Presidency in 1816. Parsons had a profound influence on the development of the judiciary system in this country, and indirectly played an important part in the drafting of the federal Bill of Rights. It was at his office in Newburyport that John Quincy Adams studied law before he became sixth President of the United States. The distinguished lawyer William Prescott and Chief Justice Samuel Sewall were fitted for college here; so also were Judge Samuel Tenny of Exeter, and Nathaniel Gorham, who became President of the Congress. From a host of other men who rose to distinction in civil and political life there was Samuel Osgood of Andover who became the first Postmaster General of Massachusetts, and Samuel Phillips who deserves credit for establishing two noble institutions, Phillips of Exeter and Phillips Andover Academy.

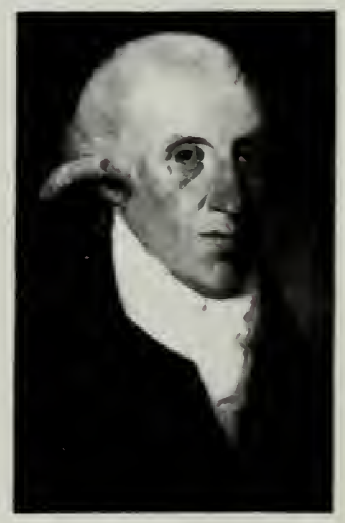
Chief Justice Theophilus Parsons





William Dummer

Samuel Phillips

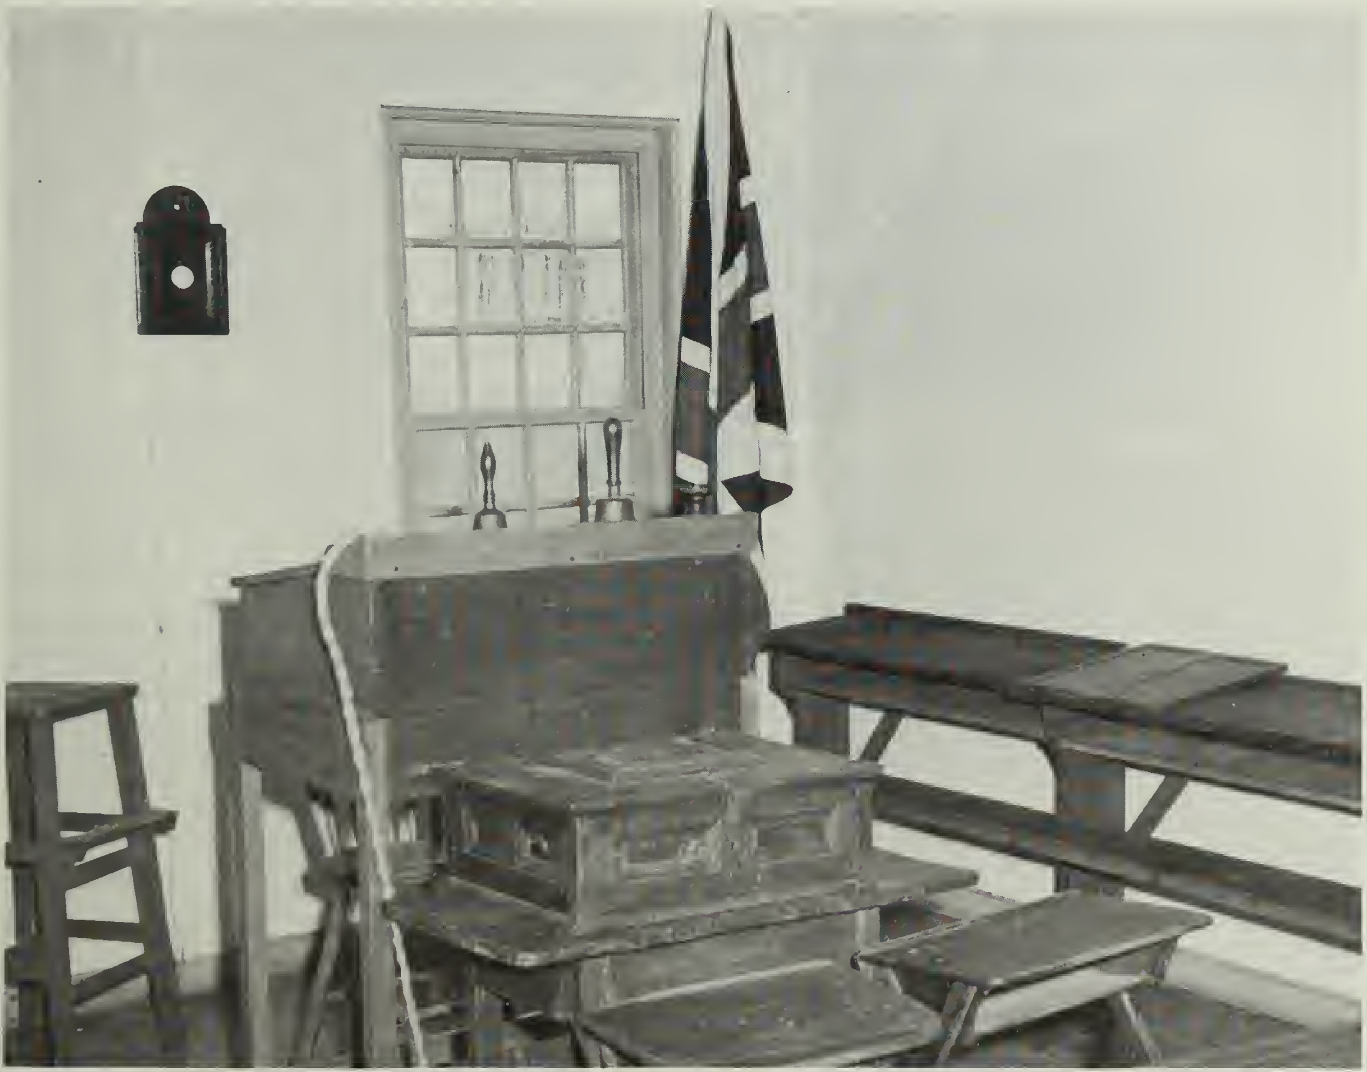


The list of Moody's pupils includes several men who helped serve and die for their country's freedom. Major Andrew McClary fell on Bunker Hill attempting to stem the flow of British troops leaving Boston. Captain Frederic Fry was an officer in the Continental Army under the leadership of George Washington. No name in the traditions of the school is more famous than that of Commodore Edward Preble. He led a fleet of U.S. ships against the Tripolitan pirates who had been menacing commerce of the high seas. Tobias Lear had been for many years the able secretary and close friend of George Washington. He also distinguished himself as a skillful representative of his country in the Dominican Republic. It was he who ultimately negotiated with Tripoli the treaty with the United States.

Meanwhile, The President of Harvard College was Joseph Willard; another Dummer graduate. The three most important professorships on his faculty were held by David Tappan, Hollis Professor of Divinity; Eliphalet Pearsn, Hancock Professor of Hebrew and Oriental Languages; and Samuel Webber, Hollis Professor of Mathematics and Natural Philosophy. All were graduates of this great Academy.

Within the first decades after the birth of the United States, men like Rufus King, Samuel Sewall, Samuel Osgood, Theophilus Parsons, Tobias Lear, Samuel Phillips, David Tappan, Eliphalet Pearson, Samuel Webber and Joseph Willard played an important part in contributing to the growth, strength, and wisdom of the new nation. This they had in common, but also they all had, in their youth, gone to the Dummer School where they had studied under the famous Master Samuel Moody, the first Preceptor of the School.

We, the Senior Class, respectfully dedicate the 1976 Milestone to these outstanding Alumni and all who have followed, for their exceptional contributions to this great country of ours.



Inside the Red schoolhouse. Samuel Moody's cane and watch, the British flag, the Bible box and the student slate boards. Moody's desk stands in the center with the school bells he rang for silence.

MRS. DOROTHY

For the past 213 years, opening day has been a complicated process as a mass migration of the world's future leaders lined up for their indoctrination into Governor Dummer Academy. This year was no exception, for as wagons, vans and trailers carrying everything but the kitchen sink pulled up in front of their new residences, there were the freshmen mothers, pleading with the housemasters to take good care of their little Joey. Phillips was jammed with inquisitive mothers, pacing fathers and puzzled new coming students. Scattered through this mess, all with pasted smiles on their faces, there were faculty members and the students belonging to that glorious group, the Red Key.

The veteran students have been thinking about the coming year...meeting old friends--new friends--boy friends--girl friends--more girl friends--teammates--roommates--dormatories--grades--report cards--G.W.--5 hours of homework (you gutta be kiddin' me)--all nighters--bull sessions--lunch lines--dorm meetings--Bob's Pizza--name tags--papers--papers--and more papers--the one night wonders (you better be in shape kid!--nobody told me it was a girls' dorm!

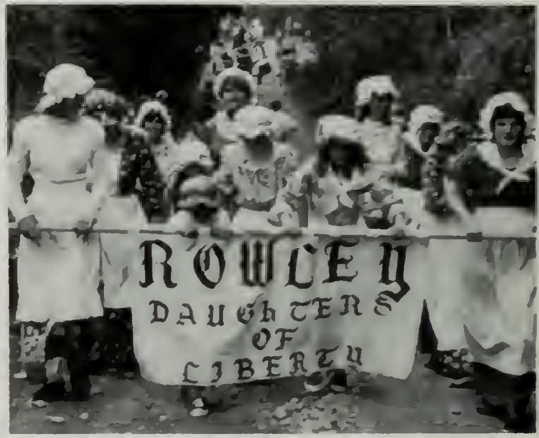
What will tomorrow bring when next period seems so far away. A doodle or two and it will all be over. Now that I think about it, this should be one hellava year!

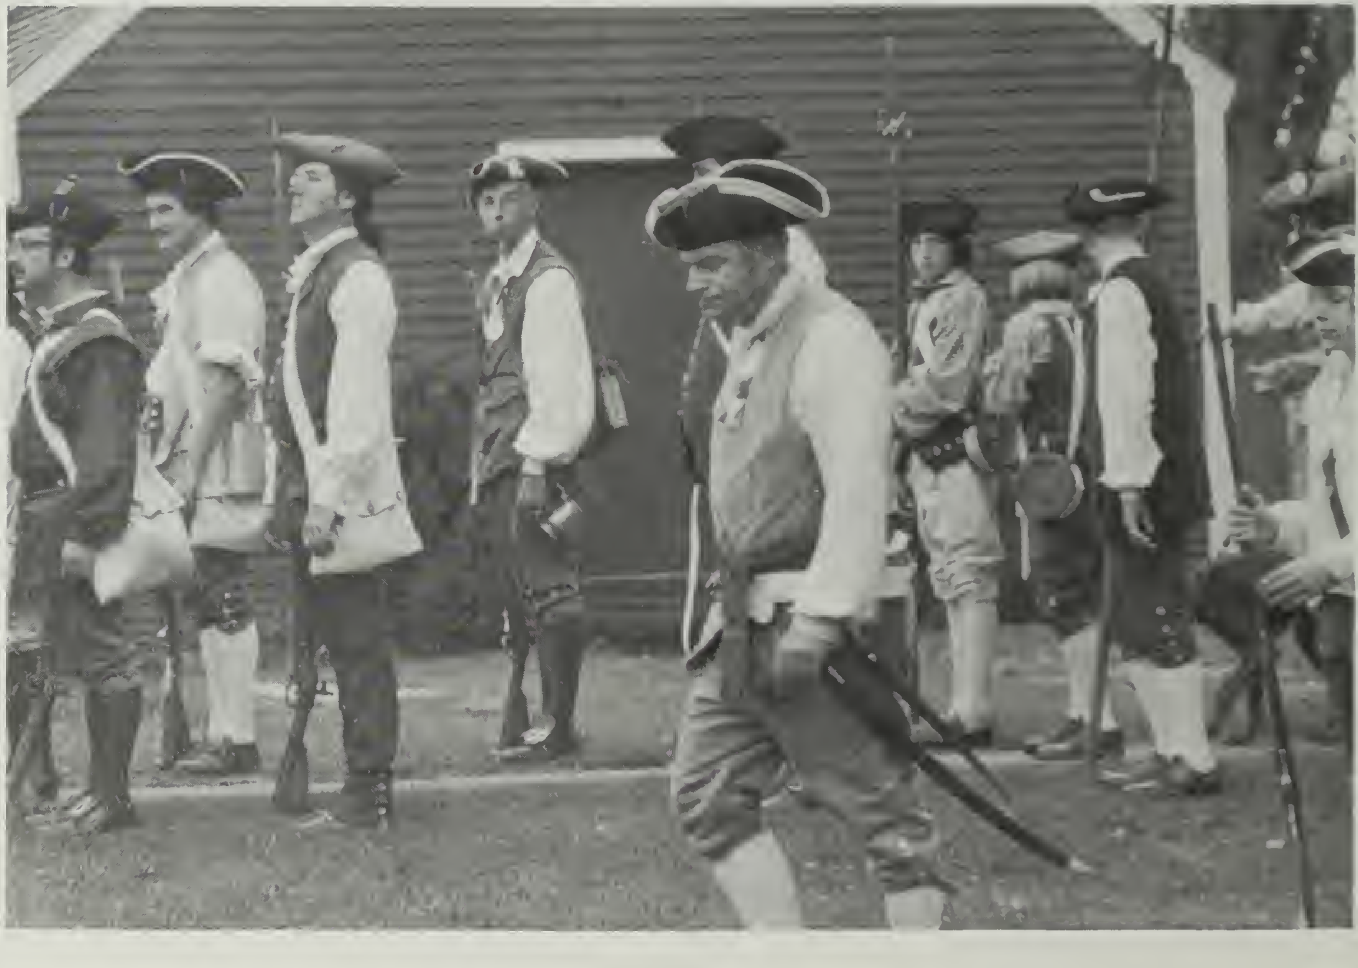
ARNOLD'S EXPEDITIONARY FORCE

On the afternoon of September 20, 1775 a force of about 400 soldiers under the command of General Benedict Arnold marched through land owned by Dummer Academy on their way to Quebec. Their mission was to help wrestle Canada from the British to prevent its use as a staging ground for the Redcoats. They started this venture in Cambridge. On Septmeber 20, 1975 the same venture was taken and the troops marched past the Academy as it did 200 years ago.

There were Indians as well as an important courier under capture. Although historically there were no Indians to interupt the march, a few diehards decided to "ambush" the troops. There were shots exchanged and reloading was hurriedly carried out.

There were a few women as well as men in the march. They all marched past the Old Red School House (on the bottom of this page) which was standing 200 years ago and saw the same things. After moving on into Newburyport, they embarked by ship to Kennebec. From there they marched to Quebec thereby completing the entire march as it occurred 200 years ago.





FALL SPORTS

VARSITY FIELD HOCKEY

Front row: S. Cavanaugh, N. Chiara, L. Palais, K. Wise, A. McElroy, D. Gravelle, P. Thomas, S. Barry. 2nd row: Coach Baker, P. Milligan, B. Saunders, S. Baker, D. Baker, J. Walz, G. Sutton, H. Laraba, S. Adams, A. Mosely, J. Leach.

Governor Dummer has supported a field hockey team for the past four years. Every year has shown vast improvements in number, skill and potential. However, future teams will have difficulty matching the reputation of the undefeated 1975 varsity team, and a record of 7-0-2. The team consisted of six returning lettermen; the best all around goalie that any team could ask for, in Alice Mosely; a British player, right inner Pat Thomas; the J.V. graduates, and the two new wings, Hilary Laraba and Debbie Baker. Due to superb coaching by Mrs. Baker and combined individual efforts, they united against nine determined rivals. During the first game at Andover, the team's determination and incentive was obvious, and they came out of it with the first of two consecutive wins. The team persevered to break St. Pauls' seven year undefeated streak.

Captains
Wise
and
McElroy

Nobles proved to be just as much a challenge at home. Pingree was no match for Governor Dummer, but it was not apparent on the field as the team settled for a scoreless game. The win over Exeter was a difficult but high scoring game.

At the Varsity Dinner, center half Deb Gravelle was handed the prized M.V.P. Award for her great contribution to the team. Mrs. Baker and co-captains Kathy Wise and Allison McElroy are justifiably proud of this their greatest season of field hockey at Governor Dummer. Good luck to those who remain another year!

Co-
Captains
Tom Balf
and
Dan
Auerbach

The Varsity Soccer team finished it's season with a winning record for the first time in several years. From the first day of practice when Leo Kaabi, one of the two outstanding MVP's, yelled out "beautiful team, beautiful team", to the last goal of the season by Co-captain and Co-MVP Danny Auerbach, the season was a great experience. Perhaps the greatest attribute this team had was the concern of the players for the team and their love of the game. Unlike many teams, they were able to come from behind to win, and in the process play some fine soccer. Under the direction of Coach Clunie, and the leadership of Co-captains Balf and Auerbach, GDA showed its real potential in such games as Andover, Groton, St. Marks, and Belmont Hill.

The team rounded out the season with a 6-4-2 record; not a true representation of the team's talent. While tying the two first place teams in the league, Groton and St. Marks, disappointing losses were to B. and N. and Milton; games that should have been won. Witness to the team's talent was the Andover game in which GDA defeated them for only the second time in 22 years. Danny Auerbach kicked in three goals with Kaabi completing the scoring for GDA, netting one goal...a 4-2 victory. The real sensation of the season however, was the Belmont Hill game, a 0-0 battle until the final minutes of the fourth quarter when Auerbach scored the lone goal of the game in a fitting end to a tremendous season. Although the team loses many of its players to graduation it is expected that next year's team will follow in the footsteps of this one and produce some fine soccer.

VARSITY CROSS COUNTRY

Our leader through thick and thin in his environment of woods and hills. Just wait till next year Andover!

This year's Cross-Country team ended up with the worst record for the sport in many years, a dismal three wins, nine losses, and poor finishes in the ISL's and the Interscholastics.

It was fairly obvious that the team simply did not have the strength to compete seriously with the better teams in the league. A very big reason for this lack of strength was the fact the school graduated almost the whole of the 1974 Varsity last spring. Also, two strong runners from last year who were expected to return, did not go out for the team. In addition, many new, inexperienced runners came out this year, in fact, many more than usual. What the young team faced was not a lack of talent. Though solid improvement and good performances were provided by Tim Woolf, Eric Laub, and Phil Graham, and remarkable improvement by Bill Cronin toward the end of the season, the Varsity needed more runners with them, as these four were not as good as many of the top runners of other teams.

Though this increase in strength came too late for this year's season, it demonstrated the potential of the team next year and if the runners use their summers wisely, and come back ready to win, the team should be a vast improvement over this year's discouraging season.

First row: V. Chase, N. Kalkar, P. Smith, E. Laub, C. Darke, B. Woods, T. Woolf. Second row: Coach White, N. Jarvis, B. Drislane, Noo Sinthavan'it, S. Mallery, B. Lewis, S. Pope, B. Reichter, S. Kostecki, C. Suwathep, M.P. Graham, C. Rooney, Coach Gosselin. Third row: N. Sinthavan'it, K. Ahari, B. Cronan, J. Grinnell, S. Batcheldor, T. Mitchell, H. Rosen, W. Paladino.

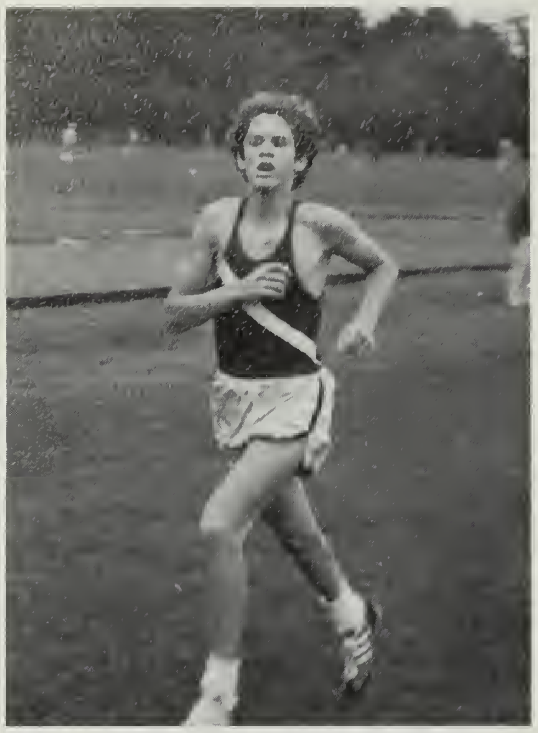
CAPTAIN ERIC LAUB.
"LIKE LIGHTNING"

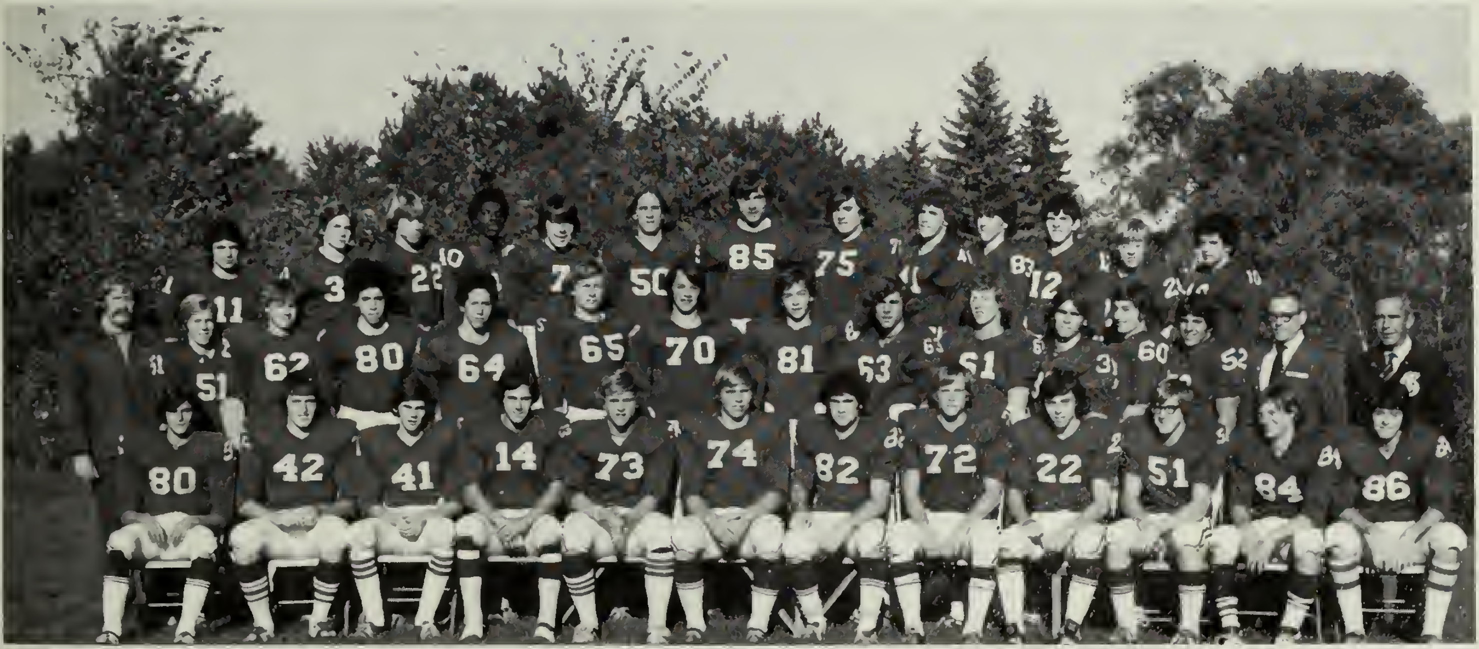


VARSITY FOOTBALL

With high hopes for a successful season, a record number of candidates, and a strong nucleus returning from last year's squad, the Varsity Football team appeared as if it would be more than able to hold its own this year. Spirits were quickly dampened, however, as the team went on to lose all seven of its games, and experienced an extremely disappointing season.

The closest match-up of the season was against St. Sebastians. Sophomores Tom Driscol and Ike Suggs were standouts. However, the absence of any consistent offense cost GDA the game.

The greatest disappointment of the season was the Brown and Nichols game. With seconds until the half, and the ball inches from the end zone, GDA was unable to score. The first touchdown of the season was not scored, in fact, until the Groton game, when Dave Law, playing for the first time after an early season injury, crossed the goal line. He was followed minutes later by Herzel Fulton.



Front row: B. Levin, D. Russell, D. Higgins, J. Giampa, P. Lawlor, T. Adams, N. McElroy, S. Jones, J. Doherty, J. Ogden, C. Taylor, J. Walsh. Second row: Coach Mechem, B. Clark, S. Titcomb, H. Fulton, D. Bell, B. Torr, C. Weickert, C. Graham, T. Cramer, H. Jones, B. Collins, M. Vorreuter, J. Pietravesa, Coach Anderson, Coach Evans. Third Row: T. Dagres, J. Goodhart, P. Pescossolida, I. Suggs, M. Esmiol, P. Hey, E. Bowditch, T. Driscol, C. Meehan, M. Tullock, C. Shay, S. Anderson, A. Bendetson.

Fulton's reception from quarterback Chris Shea was the last scoring drive of the game and the season.

Both Tom Adams and Dave Law had particularly successful seasons, Tom being nominated to the first team, all prep squad, and Dave to the second team. At the end of the season Coach Anderson announced he was stepping down from the head coach position. It is hoped that he will continue with the program at some level and to him and to future teams the 1975 Varsity extends its best wishes.

The Freshman Soccer team had a very successful season achieving a 6-3-1 overall record. The loss of Steve Perry to the J.V. early in the season hurt the attack but he was replaced and the attack continued to be the strong point of the team. Anyone who witnessed this team during one of its games had to be impressed with the heads-up play and passing. With talented teams like this one, GDA's future in soccer looks bright.

Unlike the Freshman Soccer team the Third Football team could not boast of a winning record. However, their improvement over the season was remarkable. Coaches Harrington and Adams felt that although this team was not as talented a group as in previous years they played with emotion and their spirit was unbreakable. Two fine Varsity candidates in the future are Calib Esmiol and Larry Whitten. Both showed excellent poise and toughness throughout the season. It is hoped that their enthusiasm and talent will aid the Varsity next year.

This year's Varsity Hockey team experienced one of the most exciting and successful seasons in the sport's history at GDA. The team finished up in second place in the Eberhart division with a record of 6-4 and with an overall record of 8-10; the best ever at GDA. It was the constant battle for a .500 season and first place in the division that made the team so exciting to watch.

Eight returning lettermen formed the nucleus for the club, and the addition of Jay Walsh on defense, and Ben Collins, Jim Goodhart, and Dave Smith on the line gave the team needed depth. This, with some strong players from last year's J.V.'s, gave the team the strength which has been missing in past years. There was no 1st, 2nd, or 3rd line; any line could be called upon to compete with the best the opposition could provide.

From the start GDA proved its capabilities by beating Pingree 7-1. After defeating Brooks, Middlesex, and Groton we moved into first place and battled for the position throughout the season; losing it in a heartbreaker to St. Mark's 4-3. For the second consecutive year the Alumni went down in defeat by a score of 6-2.

Most of the established records in the history of the sport were broken at some point during the season. Particularly noticeable was high scorer Brian Noyes' 13 goals and 20 assists for a total of 33 points which shattered the old record by 11. Also commendable was the new season point total of 142 points; also a record. An all-time number of penalty minutes was recorded but this was inevitable with the team's aggressive wide-open play. Goalie Dave Phippen should be congratulated on his fine play as he recorded a very respectable 4.68 goals against average. The defensive pair of Webster and Clark played extremely well and their services will be heavily relied upon during the next few years.

The entire team, although proud of the season, was disappointed in not achieving a winning record. Many feel inclement weather and the loss of ten key practice days is partially responsible. All the seniors heartily wish the teams future success and thank Mr. Harrington and Mr. Lynch for a memorable season.

The Varsity Wrestling team did not compile a winning season due to injuries earlier in the season. After a slow start, Wrestling bounced back to beat B. and N., Mt. Hermon, and Brooks. The highlight of the season centered around rival Milton whom the Governors overcame in a close bout. Outstanding records were displayed by next year's captains, Eric Laub and Mark Vorreuter, who received 2nd and 3rd places respectively in the Class A Tournament. "Jaws" Bendetson's dual record of 6-2 fared better than his outcome in the "A's". Freshman Chris Meehan was rewarded a very respectable 4th place and had a fine season. Co-captain Tom Adams had a superb season with only one loss and a third in the tournament. Co-captain Kalckar stacked up an impressive 10-0-0 record in an outstanding undefeated season. Prospects for next year's team look promising and Wrestling can expect a successful season.

There is only one word which can describe the 1975-1976 Varsity Basketball season - disappointing. One could use all the excuses that follow a poor season. In this case, it would seem inappropriate to say, "We were better than those guys," or "Boy were those refs lousy!" Because after all the excuses have been said, all would agree, that we had no one to blame but ourselves.

At the Varsity dinner Co-captain Mike Awkward mentioned some things that really hit home. He said the team lacked the attitude necessary to be a winner, also that personal and team pride was absent throughout the season. It seemed that often the team lacked the spirit to play, the drive to be a winning ball club - it just went through the motions.

One should not conclude that the season was a total loss, however. Quite the contrary, there were several impressive games and the future seems bright. Although the team record was only 6-11, the Governors were only badly beaten in one game. A 83-47 loss to Rivers. The squad started out fast and went into the Christmas break with a commendable 3-1 record. The Varsity easily defeated Nobles 48-41 in the home opener. Overconfidence struck against Groton and the team lost the first of an eight game losing streak as the club began again after Christmas vacation.

As the season progressed, a few things became evident. The Varsity was definitely a running team. This became clear when they faced such powerhouses as St. Sebastions, Milton and Tabor. Against St. Sibs the Varsity fell behind by twenty-three, but they refused to quit and closed to within three, falling 80-61. The Milton game was also discouraging in the early periods of the game falling behind by twenty. Again, however, the team fought back to come within four, but losing 84-79. .

A promising note is that the team losses only five through graduation. Tom Balf, Murrey Swindell, Steve Allison, Mike Awkward Mongi Caldwell will all be missed next year but there is plenty of incoming talent to fill their shoes. Next year the squad will be led by M.V.P, Derek Spears who averaged 15 points and thirteen rebounds as a freshman. Spears will be helped out in the front by Mike MacAleenan and Herzel Fulton. The Guard slots will be fought for by Juniors Luke Gulezian and Al Jones with Sophomore Ike Suggs and Chris Shea.

AUSTIN PREP
COUGARS

In light of famliar handicaps of indoor Track such as insufficient facilities and depth, Winter Track was unable to earn a winning season. This year's team however, will not concede to a losing season in any other way than this deceitful record. The team possessed all the qualities of a competivie club; enthusiasm, spirit, and talent, with the performances necessary to back itself up. These performances took place in a season which was unique because it afforded more opportunities to do so than in any other.

Outstanding efforts appeared early with sprinters Bijhan Kalhori and Leo Kaabi running 5.7 and 5.9 in the fifty yard dash. By mid-season Captain Howard Cornwall joined the team after recovering from a broken arm and gained respectable times in the High Hurdles and 300. At the same time, milers Peter Lake and Perry Smith, who placed second and fifth respectively in the Interscholastic Mile, helped to strengthen the team in distance events.

The factors which made this year's season an endearing experience were the optimistic and positive attitudes of members who individually strove to help the team despite discouraging losses. With these winning qualities and incoming talent, next year's Co-captains Kameran Ahari and Touraj Touran certainly have a solid base upon which to build a successful season.

Once again, the Varsity girls have come up with a successful season. The Basketball team had a very enjoyable season topping off some great basketball with a 6-4 record. The beginning of the season was some concern about the team's potential after last year's costly graduations, but the girls came together as a unit, relying on depth, not individual standouts, earning a very respectable record.

Co-captains Sarah Cavanagh and Lisa Palias were standouts throughout the season. Nexy year's Co-captain Sarah Barry led an impressive attack with her fine ball-handling points. Sophomore Beth Duff's outstanding performance in the one-point Lawrence victory was characteristic of her play during the whole season. Jeanne Walz was the backbone of a strong defense. It was the consumate strength of this club which led to its success. The bench gave the team the depth it had to rely on.

The season got off to a slow start with a very disheartening loss to Exeter by some thirty points. The rest of the season, however, was marked by close games, several overtime victories, one game eeked out by a single point, losses in the final minutes of play, hard battles. The squad will lose only one through graduation so a very successful team should be expected next year.

The Governor Dummer Cross-Country Ski team was again plagued with a lack of snow. The skiers did not get to put on skies until after Christmas vacation. The generous amount of snow that the area did receive over the vacation lasted only a short while though, as it turned icey after several days of rain. The conditions were poor at best throughout the entire season. The team this year was coached by Mr. White and Mr. Clagett and led by Co-captains Barry Ross and Vernon Chase. The top six skiers to participate in the five meets the team was able to ski in fluctated so greatly that they cannont be put into any order. However, Ted Babcock, Kit Latham, Tim Woolf, Vernon Chase, and Barry Ross controlled the top positions and were the teams best performers. Inexperience and a completely frozen Middlesex track combined to leave the team with a poor start to what has to be termed a disappointing season. The only real satisfaction they got was when the team was able to get together and ski the GDA area during practice. The seniors do wish to voice their support of the team and thank coaches White and Clagett. Perhaps next year, wtih more favorable snow conditions, the Ski team can enjoy a more rewarding season.

The 1975-1976 school year was a strong one for the Community Service Program. The quantity of students involved was significantly greater than in previous years, but what was more pronounced was the quality of the student contribution to the program. There seemed to endure sincere indivisual interests in the diverse branches of the program-interests that extended beyond last year's boundaries of service. In addition to the Living and Learning Day Care Center, the Country Manor Nursing Home, Anna Jaques Hospital, the Y Pool, My School Day Care Center, and the Kelly School for handicapped children, the Chronic Manor Hospital, Opportunity Workshop, and the Community Action office in Newburyport also opened their doors to Governor Dummer volunteers. The students responded to these new outlets with a greater energy than has ever before been demonstrated in the program, and the result was reciprocal enthusiasm of the agencies on behalf of Governor Dummer. By establishing a stable affiliation with the community agencies of the Newburyport area, 1975-1976 has evolved as a valuable stage in the growth of the Community Service Program.

6

This year's Varsity Baseball team had a good year even though the win-loss record does not show great strength. Pitcher Bob Rosane pitched a great game against St. Marks, only two people struck out and the team as a whole played well. On the other hand the game against Middlesex turned out to be a disaster for the Governors. Luke Gulezian performed extraordinarily well throughout the season topping it off with the coveted MVP at the Varsity dinner. Dana Russell hit a homer against Groton and Todd Dagress pitched three strikeouts in a row but again the team was edged out of a victory. Reynaldo Arguello performed his ground-ball pickup admirably for many of the games. Great infielders like Jay Walsh who received the Senior Cup and freshman Chris Shea who will definitely lend strength to the team next year. We look forward to a good season next year!

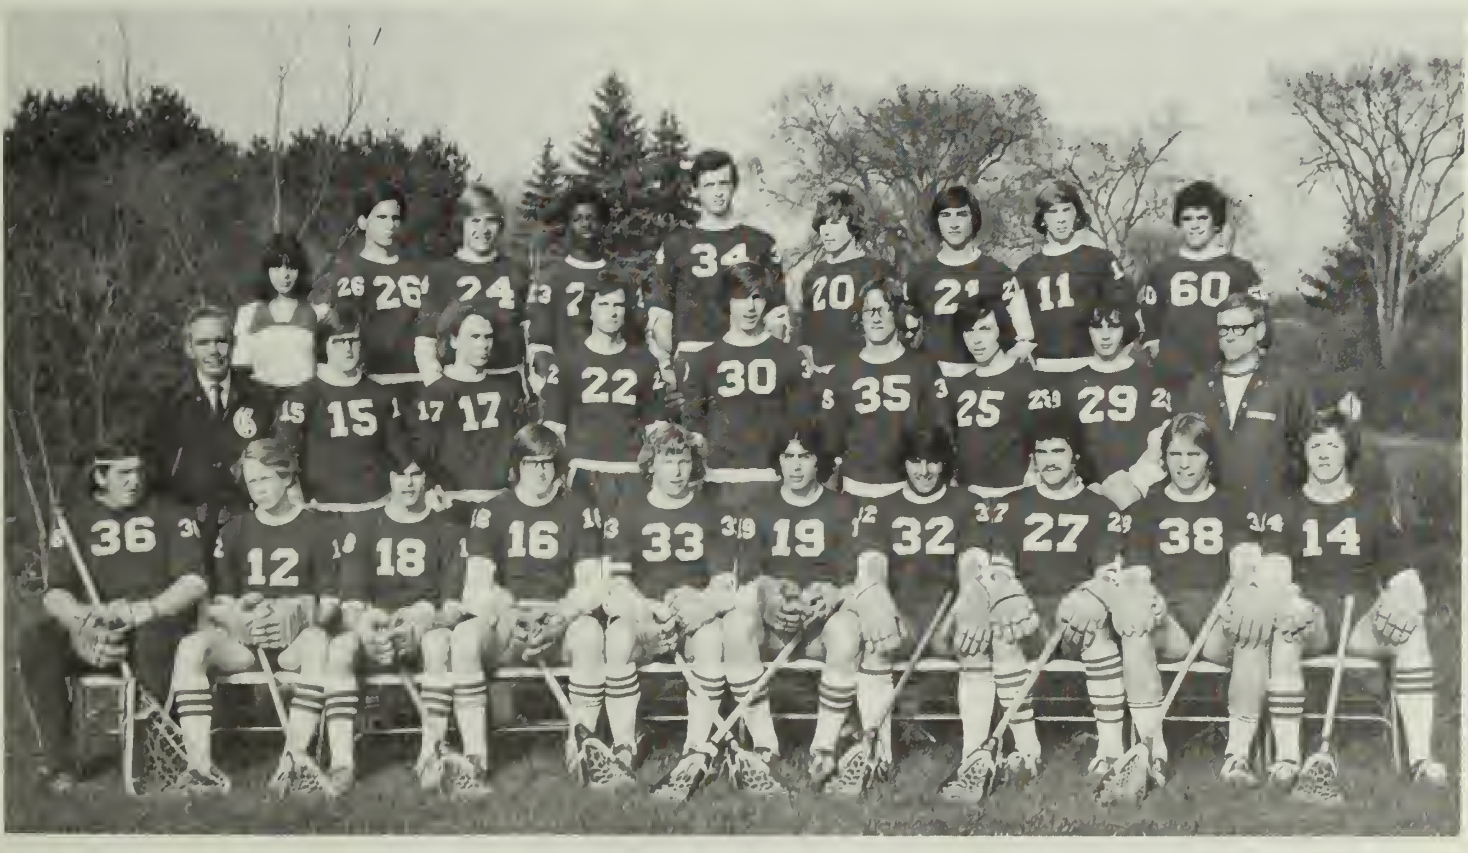
Co-captains Brian Noyes and Eric O'Brien

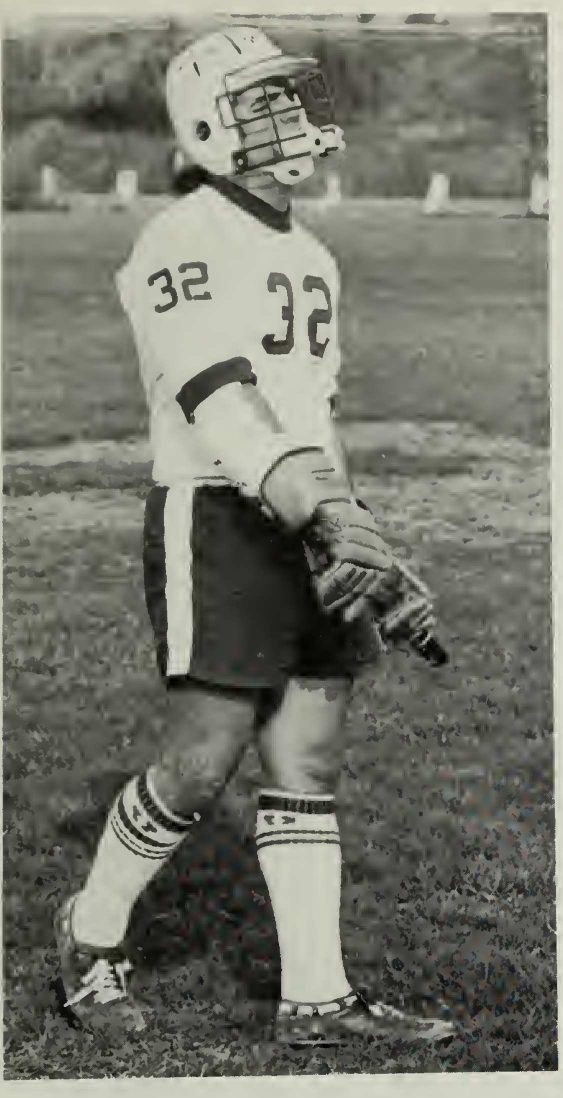


1st row: Phippen, Ostheimer, Levin, J. Ogden, O'Brien, Noyes, Pietrafesa, McElroy, Adams H. Jones. 2nd row: Coach Evans, P. Ogden, Ham, Boulger, Bowditch, Hey, Doherty, Cook, Coach Anderson. 3rd row: Manager Blakemore, Davis, Babcock, Suggs, Pope, Laub, Vorreuter, Higgins, Bendetson.

"The dynamic duo did it again!" This year's Varsity Lacrosse team, lead by coaches Evans and Anderson, has won more games than any other team has ever won. All-star co-captains Eric O'Brien and high-scorer Brian Noyes lead the team to its record-breaking season by insisting on "total team effort".

They opened the season by easily defeating their first three opponents. Phillips Exeter proved to be a very strong club but outstanding performances by Noyesy, Joe Pietrafesa, and Ike Suggs added another to the team's growing win column. Following Exeter, the St. Mark's team, remembering how the Governors ruined their undefeated season last year, attempted to get revenge. Neither team had a solid lead until the second period when Governor Dummer popped three in to produce a sudden lead. St. Mark's never recovered.

The team then prepared themselves for the big game with Pinkerton Academy by defeating Buckingham-Browne and Nichols, Wnchester, and Lawrence Academy.



The Governors surprised Pinkerton by slamming the first goal of the game past their all-star goalie. Gradually however, the very strong Pinkerton team, with some help from the New Hampshire referees, slipped into the lead and handed the Governors their first defeat.

The game against Andover proved to be another disappointing one, and the Governors suffered their second and final loss of the season.

After beating St. Paul's and Noble and Greenough, they were prepared for Tabor. This game promised to be the toughest of the season. Both teams had identical records against similar opponents. Because of amazing goal tending by Dave Phippen (coming up with twenty-three saves), and a great amount of hustle by the entire team, they held Tabor scoreless until late in the third period when Tabor managed to put two by Phippen. This proved to no avail, however, and when it was all over, the Governors brought back the Governor Dummer-Tabor Cup for the second year in a row.

Next year's squad will be lead by co-captains Joe Pietrafesa and Dave Phippen. We wish them the best of luck!

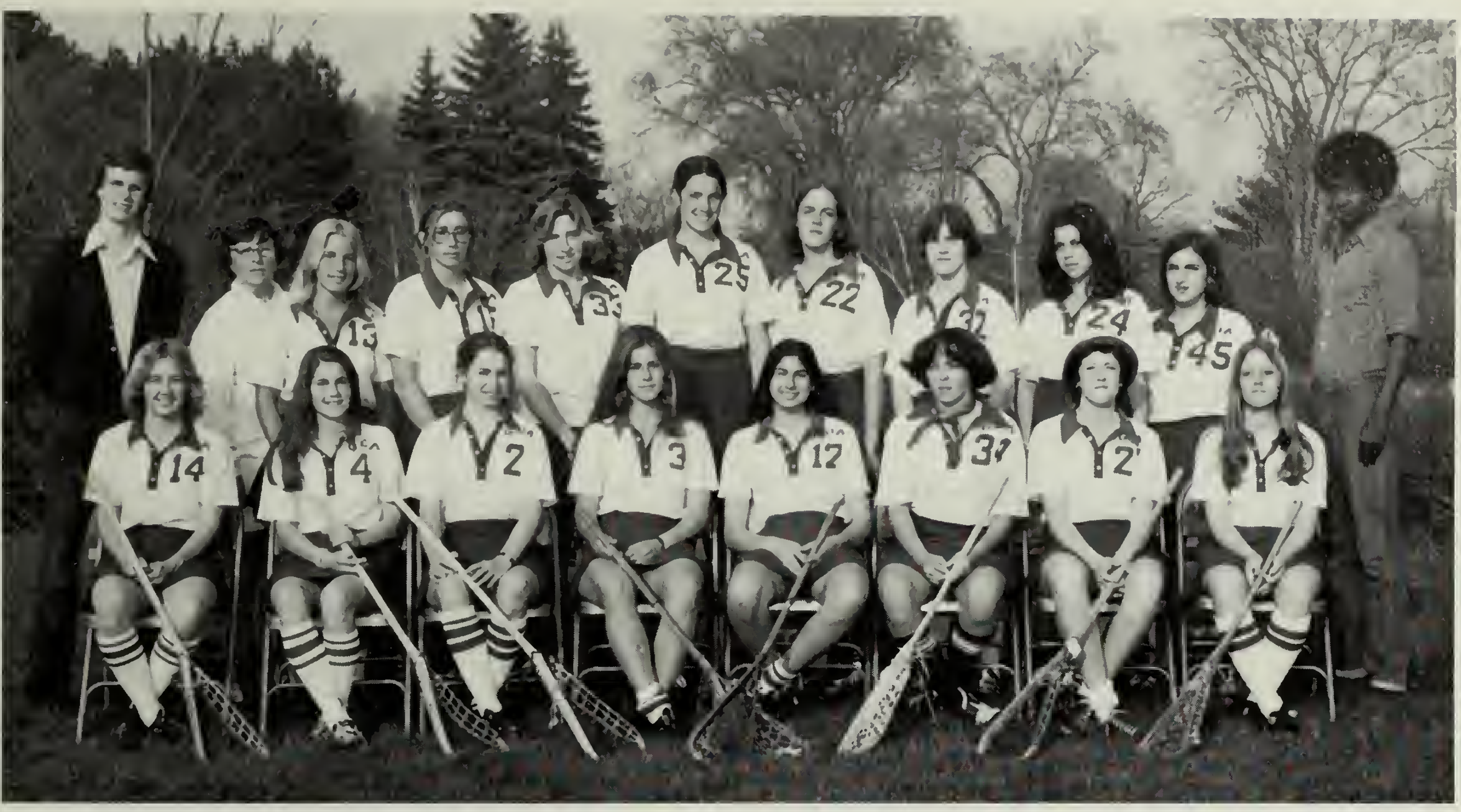
GOVERNO
GOVERNORS
GOVERNORS

The 4-5 season was a disappointment to the 1976 spring track team. We had hoped to improve upon last year's losing record, but inexperience, especially in the field events, proved too great a weakness. Injuries early in the season also proved fatal to our desire for a winning season. Bijhan Kalhori suffered a greenstick fracture and could not break the 100 yd. school record which some of us thought he could manage. A few records were made by one individual-Mike McAleenan our co-captain. He broke the school record in the triple-jump with a distance of 40'7½". In the Interschols he was fourth in the 880 run as well. Howard Cornwall also did well in the Interschols as he pulled a second in the 180 low hurtles and a fourth in the 120 high hurtles.

Despite the lack of experience there was plenty of enthusiasm. After a shaky start the team soon learned how to put it together and began winning. We placed well in the Exeter Relays and also in the Interschols. The distance crew this year did particulary well for most of the season. The Girls also performed admirably in their individual meets with Exeter and others.

Next year with co-captains McAleenan and Woolf the team should do well. Special good wishes must go to the first girls track team to begin next year. Godspeed!



1st Row: B. Saunders, Wade, Warren, Wise, McElroy, Gravelle, Sutton, Barry. 2nd Row: Manager Allison, Coach Baker, Hoglander, Walz, Kannan,Cavanagh, Marean, Baker, Chiara, Adams, Manager Awkward.

Co-captains Wise and McElroy

VARSITY GIRLS LACROSSE

The 1976 Girls Lacrosse Team had a very rewarding but very dissappointing season this year. After an undefeated field hockey season the team was hoping to be as successful in lacrosse. However, the competition was often stronger and more experienced than expected. In spite of this the team managed to keep up its morale until the last game against St. Paul's School.

Under the leadership of co-captains Kathy Wise and Allison McElroy everyone was always willing to do their best, but at times the team just couldn't put it all together. Allison McElroy, Ginny Sutton, and Sarah Barry all had excellent seasons on the offensive unit and were greatly assisted by Sam Adams. Jeanne Walz and Kathy Wise were strong members on the defense and did a good job keeping the ball away from the net. Debbie Gravelle also had a good season, helping both the offensive and the defensive units.

The season started with three very decisive victories over Middlesex, Thayer, and Phillips Exeter. The big game against Pingree came about halfway through the season. Throughout the entire game the team played consistently well, but was not able to defeat the highly experienced Pingree squad. The next game with Phillips Andover was especially disappointing, for the team had a poor day and did not play up to par. Exeter was played again and was beaten by a larger margin than in the first contest, showing the improvemnt that had been made throughout the season. St. Paul's was the last game to be played. Their team was undefeated and unfortunately Governor Dummer could not break that record, suffering their most humiliating defeat on record.

Except for three seniors the team will be back with Ginny Sutton and Sarah Barry as co-captains.

Front row: Coach Harlow, Sterge, Auerbach, Lee, Poole. Back row: Rose, Casey, Alexander, Cornwall, mgr. Missing: Balf.

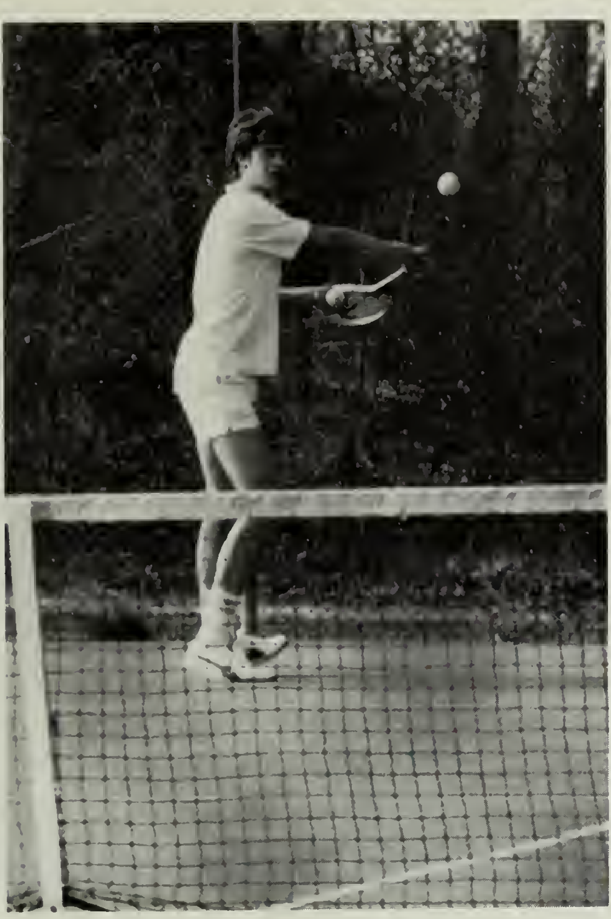
G.D.A.	7	Brooks School 11
G.D.A.	7	Belmont Hill School 11



The Varsity Tennis Team ended its season with an 8-4 over-all record and a 4-4 league record this Spring. The team was extremely strong but failed to win the "big" matches.

The number one player for G.D.A. was Co-captain Tom Balf. Losing only two matches through the entire season Tom was awarded the M.V.P. as testimony to his outstanding play.

Dan Aurbach shared leadership responsibilities with Balfy, and Dan too played consistently strong tennis. Peter Lee played outstandingly at the number two position. Jim Alexander and Greg Rose were welcome additions to the squad, contributing greatly and rounding off the top four. Ray Casey, Andy Sterge (next years captain), and Chris Poole were all active throughout the season.

With four strong returning players, the team promises to be a league contender next year. Mr. Harlow's coaching and inspiration held the team close together and provided motivation for all the players. Although experiencing dissappointing losses it was an exciting season with everyone working hard and enjoying himself greatly.

Coach Eames, Richards, Weinshel, Taylor, Caldwell, Leahey, Hess, Slater.

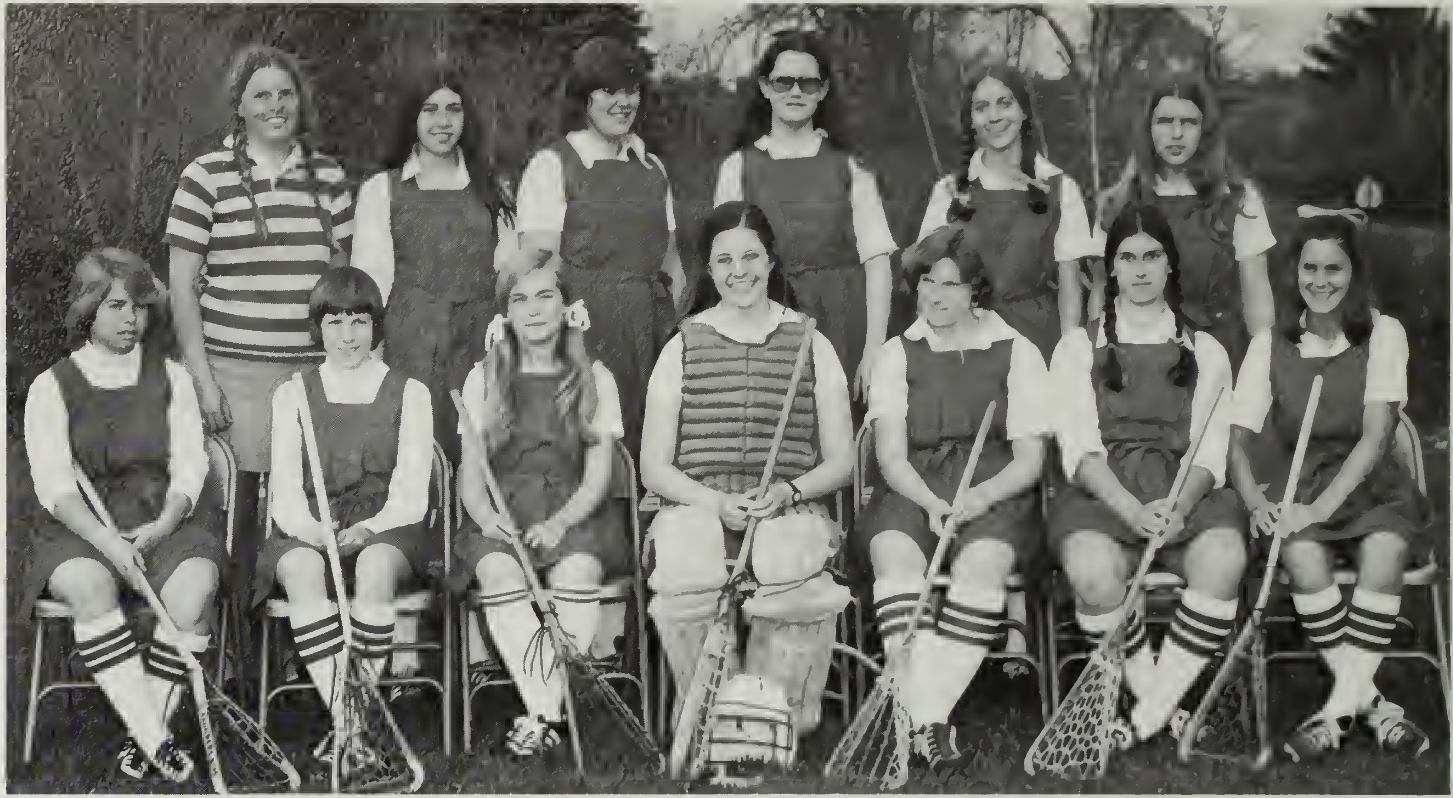
G.D.A.	5	Lawrence Academy 2
G.D.A.	3rd	I.S.L. Tournament

The golf team this year had a losing record at 3 wins and 6 losses, but had a relatively successful season, almost every match being close. With a little luck it could have easily been a winning season; by the end of the term the team had improved considerably.

The highlight of the season was, without doubt, the 9-school tournament involving Belmont Hill, Middlesex, Rivers, Nobles, Lawrence, St. Georges, St. Sebstians, and Brooks. Governor Dummer placed third behind Belmont Hill and Middlesex, and Chris Taylor placed fifth in overall low gross score.

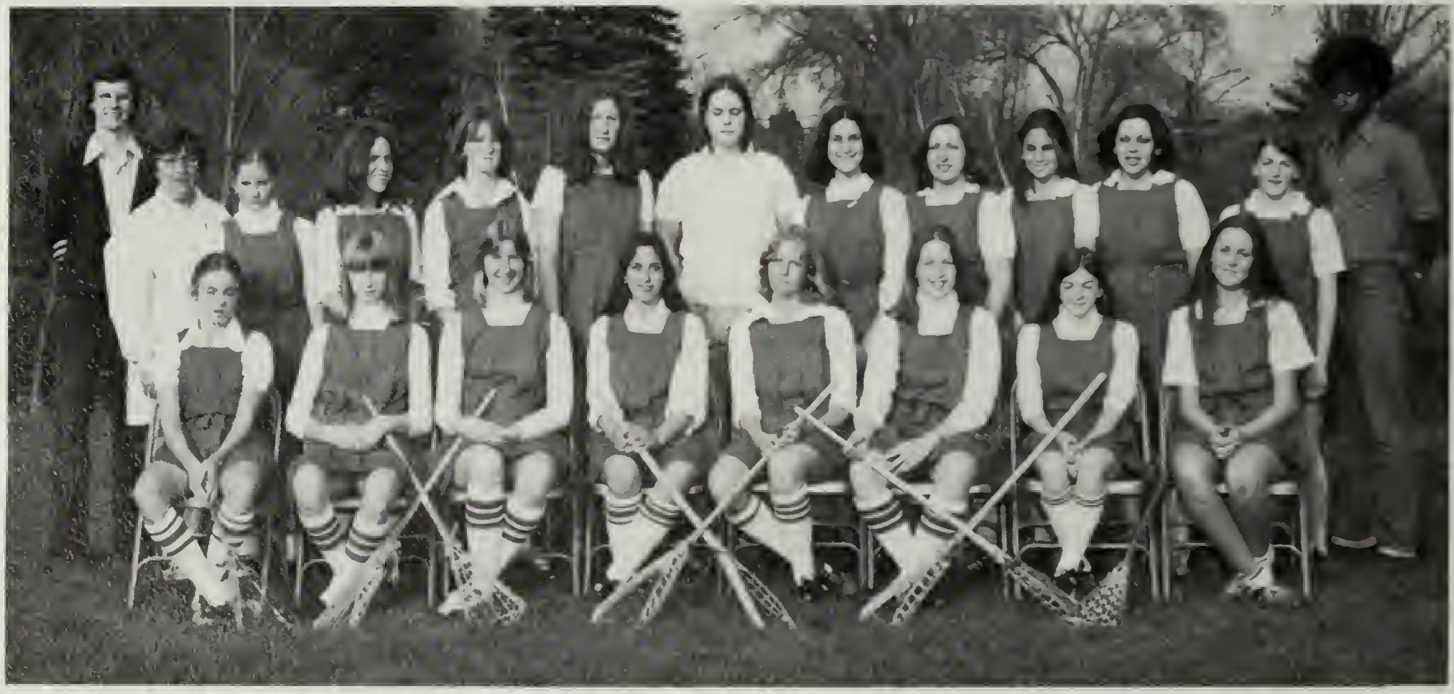
As co-captain, Chris Taylor worked his way from #3 to finish off the season playing excellent golf at #1. Playing in position #2 was Alan Leahy, who started off the season at #5 and ended up playing a large part of the season at #1. He had a winning season at 5 and 4 and will predictably help the team greatly in the next two years. Marc Weinshal finished the season at #3 after getting several wins for the team. Tim Richards placed a consistent #4 throughout the season, and will serve the team next year as co-captain. John Webster moved from #6 to #5, pulling off an undefeated 6 and 0 season. Co-captain Chip Caldwell had an unfortunate season on the ladder and finished at #6. At positions 7 and 8 were Dan Miller and Jim Slater, both playing in several Varsity matches.



Front row: Saunders, Miller, Blair, Mackay-Smith, Potter, Lynch, Blake. Second row: Coach Clark, Stone, Chisholm, Zawacki, Baum, Woodbury.

FRESHMAN LACROSSE

J.V. LACROSSE



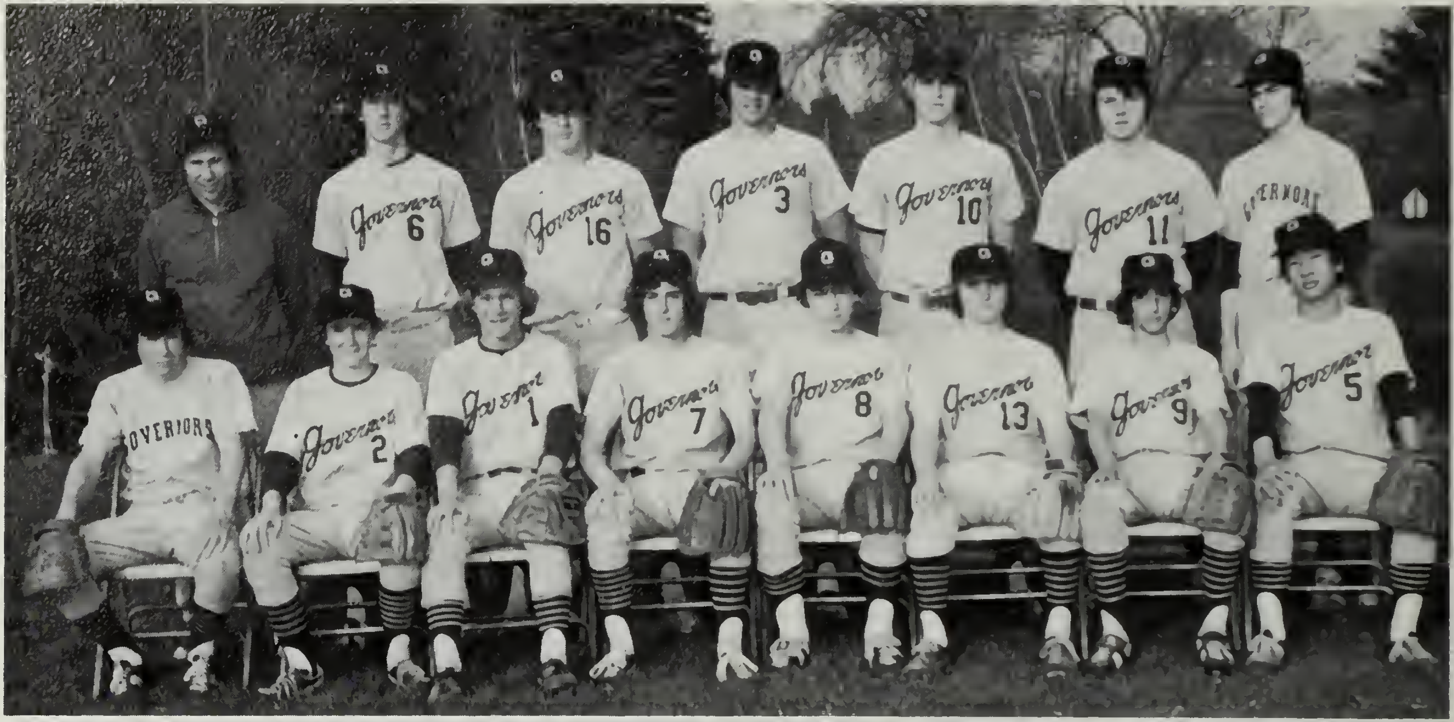
Front row: Malloy, K. James, C. James, Kaplan, Lyons, Russell, N. Saliba, Purinton. Back row: Allison, Coach Baker, Weldon, Baum, Miller, Huffnagle, Storey, Goldberg, Moseley, Olney, Chiara, E. Saliba, Awkward.

J.V. TENNIS

Front row: Tulloch, S. Cawley, Ackerman, D. Cawley, Malloy. Second row: Baker, Grinnell, Jones, Pendleton, Latham, Knight, McKee, Coach Kennedy.

Front row: Latham, Laraba, Putman, Wyman, Reichter, Thomas, Stephan, Duff. Second row: Wall, Batchelder, Daher, Farley, Messenger, Kangis, Graham. Third row: Walsh, Mitchell, Pescosolido, Cronan, Amjadi.

J.V. TRACK



Front row: Jones, Theriault, Perry, Mathews, Dagres, Neville, Rosen, Hsia. Second row: Coach Gosselin, Rudolph, Hersey, Weickert, Damman, Garnett, Killip.

ORGANIZATIONS

DISCIPLINE COMMITTEE

Christopher Duff, Daniel Miller, Shelley Miller, Ted Reed, Tom Adams, Mike McAleenan.

The GDA Discipline Committee consists of four faculty members, two seniors, and two juniors. The student members are picked by the Student Government (Council). They and the faculty discuss a disciplinary case and suggest an appropriate action to the Headmaster, who then makes the final decision. During the course of the year, the two seniors are replaced by two more seniors.

Jody Zafris

The Governor this year presented a varied assortment of interesting articles ranging the spectrum of interests the student body has shown. The history of the school has been stressed by the writing of both discussions with alumni and articles on historical people and events. The sports articles have been well done and the various editorials and commentary on school life have been well received by the faculty and students. Overall the Governor has produced a balanced and interesting set of publications and we look forward to bigger and better things next year.

RED KEY

The Red Key is an honor society made up of juniors who would best represent the school in a number of social functions such as sports receptions after Saturday games and the like.

THE SOCIAL COMMITTEE

Social Committee Members
Mark Offerman, Ted Reed, Tom Adams, Alfredo Arguello, Brad Clark, Alice Mosely, Claudia Olney, Wakim Senz, Mark Vorreutter, Steve Altman, Mike Awkward, Stewart Hodges, Sarah Cavanaugh, Mrs. Williams, Alison McElroy, Brad Levin, Joe Pietrafiesa, Perry Long, Nina Chiara

Under the leadership of Tom Adams, the 1975-1976 Social committee has accomplished almost the impossible-they have provided throughout the year a good number of mixers—two nights with the Johnny-cocao show and other groups, and have saved enough to buy a $980 stereo system for future entertainment at the disc-hops. A beach-party on Plum Island and the invitiational weekend proved quite successful.

With all the enthusiasm shown by the Committee and the entire student body, social life on campus looks good for next year; good luck Perry Long!

THE DRAMA CLUB

Cathy Rooney	PRESIDENT
Vicki Papaioanou	VICE-PRESIDENT
Doug Baker	Secretary

The Drama Club put on three fine productions this year as planned. Death of a Salesman turned out better than their wildest expectations with Willy, played by Doug Baker, president of the Drama Club. Guys and Dolls came out well also. Alice in Wonderland this Spring also was well received by the drama-going public and received wide acclaim for its international cast of mad-hatters. A very fine drama season. Good Word!

"Man was created by water for the sole purpose of transporting it from one place to another."

THOMAS PAUL BALF

"Balfy"

8 Cove Hill Lane Rockport, MA 01966

TUFTS UNIVERSITY 1973

"I am one of the searchers. There are, I believe, millions of us. We are not unhappy, but neither are we really content. We continue to explore life, hoping to uncover its ultimate secret. We continue to explore ourselves, hoping to understand. We like to walk along the beach, we are drawn by the ocean, taken by its power, its unceasing motion, its mystery and unspeakable beauty. We like forests and mountains, deserts and hidden rivers, and the lovely cities as well. We searchers are ambitious only for life itself, for everything beautiful it can provide."

James Kavanaugh (San Diego, 1970)

JAMES A. BARATT

"Jim"

Congressional Avenue Plastow, N.H. 03865

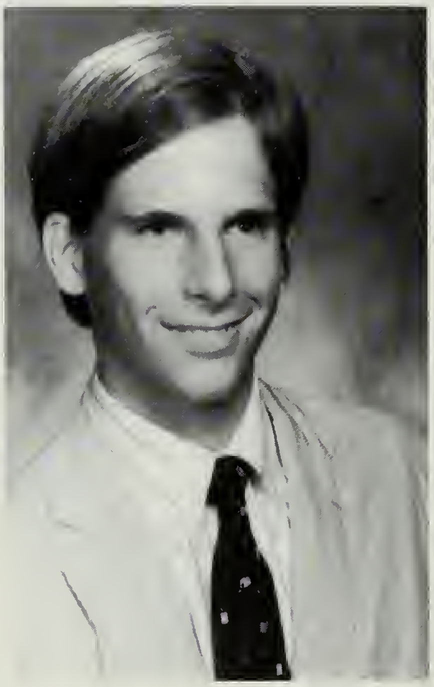
Butternut Lane Hanover, NH 03755

PINE MANOR JUNIOR COLLEGE 1975

Audio Lab Proctor 4; Bloodmobile 4; Girls Tennis 4; Intramural Volleyball 4.

"Halfway down the stairs is a stair where I sit
There isn't any other stair Quite like it.
I'm not at the bottom, I'm not at the top;
So this is the stair where I always stop.
Halfway up the stairs isn't up and isn't down.
It isn't in the nursery, It isn't in the town.
And all sorts of funny thoughts Run round my head!
"It isn't really anywhere! It's somewhere else instead!"
- A.A. Milne



GEORGE ANTHONY DAVIS

"Get Smelly", "Hormone"

67 Thatcher Street Westwood, MA 02090

1973

Resolve to be tender with the young
Compassionate with the aged
Sympathetic with the striving
And tolerant of the weak and wrong.
sometime in life you will have
Been all of these.
—Walter Scott—

If a man does not keep pace with his companions,
Perhaps it is because he hears a different drummer.
Let Him step to the music he hears.
However measured or far away.
—Henry David Thoreau—

MAY 29, 1976

THE MORSE FLAG

1976

The Morse Flag was first awarded 62 yrs. ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

This year the Morse Flag is awarded to

Perry Marshall Smith of Worcester

Almost never is true distinction found beneath the overlay of hoopla and ballyhoo which we so frequently associate with pursuit of prominence. It is far more likely to discover itself in the quality of life of that individual who, whatever the stir around him, with clarity of vision maintains the even tenor of his way.

Example: In my English 4A section this year I watched Perry in the beginning quietly sort out his strengths from his weaknesses and then persevere to understand and eliminate the problems—no righteous indignation over criticism of his work, no demonstration of discouragement over periods of seemingly little progress just a calm, considered striving after the desired results.

Extrapolate from that—and from Perry's goals for himself—to the goals and interests of the Academy as a whole. No one here has demonstrated a higher sense of values nor a clearer sense of priorities. No one in his class has grown more steadily in leadership. No one has more often stepped in quietly to do what has needed doing—and done it.

The catalogue of his accomplishments is striking : High honor student and a member of the Cum Laude Socieyt ; as a sophomore, Moody Kent prize winner for highest standing in Religion; as a junior, recipient of the Rensselaer Polytechnic Institute Medal for attainment in mathematics and science, and winner of the Harvard Prize Book; as a senior, a member of that celebrated nucleus of dedicated distance runners in school, Chairman of the Language Lab, Committee, representative to the Student Council, author for *The Governor* and *The Archon* of a distinguished series of articles relating to the history of the Academy; chief student archivist; Editor-in-Chief of *The Milestone.*

Perhaps two final observations fairly sum up Perry's attainment. The first may reveal some small—but eminently forgivable—bias on my part: Last year Rich O'Leary defected to Harvard; next year Perry Smith restores that happy tradition, upheld by Jim Pramberg two years ago, which see the Morse Flag Winner proceed from the Academy to that pre-eminent, if rustic seat of higher learning Dartmouth College.

Finally, it is all best summed up, I think, in this observation: Whatever it be, if you want it done—and done well—get Perry Smith to do it.

The Academy Prize

There are two prizes which are awarded by vote of the entire faculty: one is the Morse Flag, awarded earlier this evening; the other, the Academy Prize. Upon the retirement of Headmaster Ted Eames in 1959 the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each Commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." Those visiting the Phillips Building will find inscribed on the paneling outside my office door, in the entry-way of the Cobb Room, the names of all Morse Flag winners, reaching back to 1913, and the winners of this Academy Prize from 1931.

Each year that senior is honored by the Academy Prize "who, in the eyes of the entire faculty, by his or her unselfishness and sportsmanship has best exemplified the spirit of the school."

On a Sunday afternoon early this month the faculty weighed painstakingly its decision for this final award of tonight's festivities. The prizes already bestowed this evening carry immeasurably greater meaning when one realizes that in each case the recipients were chosen—after much thought, discussion, and care— from among more than just a few attractive candidates, young people in their own rights, valued contributors to this community. So it was for the Academy Prize. A strong handful were considered. Nevertheless, the winner emerged clearly when finally the first ballot was taken.

It is easy to be visible if one excels on the athletic field, or if one's responsibilities require him to stand up often in school meeting, or to act as senior dormitory proctor, or to serve on student-faculty committees. To receive such recognition can be enjoyable. We all vie for opportunities.

It is easy, too, to lose sight of the fact that such recognition often turns to ashes if one fails to meet the responsibilities he accepts.

What, then, of the man or worman who serves not just in one such role, but in many—an individual to whom we almost automatically turn if something important is to be done? One who must confront not only the recognition but the hours of hard work, the criticisms of those less committed or with their own axes to grind. Who must be able to fail without folding, willing to give without any guarantees of getting in return.

Such a one we honor tonight: Spokesman for the Social Committee; contributor to the Yearbook, the Red Key, the Tour Committee for Admissions, the Chapel program; dorm proctor; conscientious senior representative on the Discipline Committee—you already know of his attainments in three varsity sports. Recipient of the Whittemore Award for his leadership as a sophomore, his career at Governor Dummer has reflected extraordinary stamina, extraordinary generosity:

Hayward Thompson Adams of Hamilton

Goodwin Athletic Prize

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by his athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

Any of us who populate the sidelines at athletic events can recollect with pride and excitement peak performances by members of this senior class: by Danny Auerbach and Fouad Kaabi, for example, who seem able to make a living thing of a soccer ball; by Pat Thomas, Lisa Palais and cohorts who swept the field hockey team to its first undefeated season; by the senior cross country runners hwo kept burning this year the esprit de corps which seems every year to distinguish our cross country teams; "Noysey," "O.'B," and company, who warming up with hockey, terrorized most of New England and neighboring hemispheres in lacrosse. All of these and many more have created during the year vivid memories for us to replay in our minds.

A special kind of leadership in athletics rests however, with him who battles in the trenches, plays hurt without complaint, accepts the disappointment of being sidelined just at that time when his strength and skill are at their peak—who can confront certain defeat and not quit, whocan share in victory without vaunting. This year the Goodwin Athletic Prize goes to a seven-letter man, during his three years at the Academy, co-captain and Most Valuable Player in football and co-captain in wrestling, a staunch member of the stingy defense which helped the 1976 lacrosse team to 13 win, 2 loss record—

Hayward Thompson Adams of Hamilton

Best Thespian Award

It can be no mystery who among the Class of 1976 has for three years kept Governor Dummer audiences engaged. Who else is there who could move from hamming and upstaging in "Camelot" and "Five Easy Pieces" to the bewilderment and pain of Will Loman in "Death of a Salesman"? From a show-stopping rendition of "Sit Down, You're Rocking the Boat" as Nicely-Nicely Johnson in "Guys and Dolls" to directing a pixilated performance of "Alice in Wonderland," all the while folded pretzel-like in the steaming confines of a prop-box on-stage? Who, indeed, but—

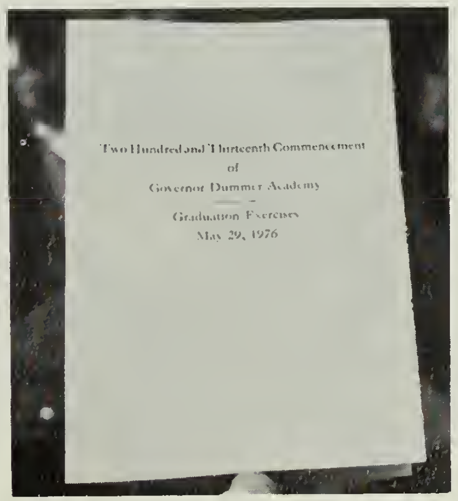
Douglas MacIntyre Baker of Wenham

The Anne Marie Murphy Athletic Award

"...to that senior girl who, by her example and by her achievement in athletics, has brought high honor to herself and to her school."

The path of any coach is made smoother by the knowledge that at the core of a squad stands even one player who combines strength and steadiness with skill and experience. We many who this year have thronged the girls' fields at game time, to see the field hockey team sweep through its season and the lacrosse team display a deftness and a stickwork that have roused envy even amongst the boys' lacrosse coaches, have marveled of the drive and skill of two strong teams deep in talent. Quiet, sure, and unfailingly steady, Most Valuable Player on the Academy's best field hockey team ever, as the indefatigable center around whom play revolves in girls' lacrosse, a four-year athlete at Governor Dummer, the winner of the Anne Marie Murphy Athletic Award from the Class of 1976 is—

Deborah Ann Gravelle of Newbury



Two Hundred and Thirteenth Commencement
of
Governor Dummer Academy

Graduation Exercises
May 29, 1976

Ingham Fund Scholarship

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able student through school.

This year's winner has already for 3 years provided leadership in her class and in the activities of the school. Hgh honor student, member-elect of the 1977 *Milestone* Board she is:

Shelley Maureen Miller of Hampton Falls, New Hampshire

Richard Hawes Francis Scholarship

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis, of the Class of 1936. It is awarded each year to a student of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness in the life of the school.

Her upcoming senior year is her fourth at the Academy. A contributor every minute of her time here, Town of Newbury scholar, board-member-elect of the *Milestone*, she is

Lee Ann Wade of Byfield

Dean Channing Hale Scholarship

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student, who through perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

A three-year enthusiastic contributor, co-editor-elect of the *Milestone*, co-captain-elect of Field Hockey, honor student, the recipient of the Hale Scholarship is:

Elizabeth Helen Saunders of Byfield

Cumings Prize

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in contributing to the welfare of the school.

The spectrum of her activities is impressive: a member of the Student Council, she has participated from Photography Club to Social Committee, from Community Service to behind-stage Jill-of-all-Trades for at least five major drama productions. I have watched her as a freshman, puzzling over which is the business-end of a field hockey stick—and now as a senior win letters in field hockey and lacrosse. There are some students to whom when we want things done all of us, students and faculty alike, just naturally turn. She is in the forefront. On top of all this is a member of the Cum Laude Society.

Nina Marie Chiara of Methuen

The Whittemore Award

The Timothy Rogers Whittemore Award is given annually to that sophomore who by his perseverence and attitude has made the best contribution to the Academy. Selection is made by the Sophomore Dormitory Proctors and the Senior Day Student representative to the Student Government. This year's winner is

Scott Anderson of Byfield

Barriskill Prize

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

Jim Barriskill would thoroughly have approved this year's winner of his prize. He was a man of discriminating good taste and a devotee of the arts. Linda has been a versatile and tireless participant and leader in instrumental music at Governor Dummer—from jazz, to chamber music, to orchestra member for "The Boyfriend" and other productions—and she has found time, as well, to share the Senior Proctorship in the Farmhouse and to attain membership in the Cum Laude Society.

Linda Ann Burch of West Barnstable

Gaffney Prize

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of the faculty, has been most considerate of the rights, opinions, and sensibilities of others.

Some people wherever they may be, go about their business sensitive to the feelings of others, caring, giving—unobtrusively. They accept and exert leadership—quietly. Co-Circulation Manager of the *Milestone*, Co-Chairman of the Red Key Society, Co-Captain of Girls' Basketball, Senior Proctor in the Farmhouse, ranked on the Honor Roll, she made those of us who were present particulary proud when on May 8 at the Town of Newbury's celebration of the Bicentennial she spoke for the Academy and presented our gift to the town fathers.

Lisa Suzanne Palais of Swampscott

Harvard Book Prize

The Harvard Prize Book, has beenendowed by Mr. Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the junior class deemed most worthy through high scholarship and character.

In his third year at Governor Dummer, already possessor of a proud record as a competitor, and High Honor Roll student, a most promising artist and member-elect of the *Milestone* Board, the recipient of the Harvard Prize Book is

Douglas Fraser Cawley of West Newbury

Bausch & Lomb Medal

The Bausch and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

William Carter Woods of Hampstead, New Hampshire

Special Prizes

An alumnus of the Class of 1911 at the Academy, father of an alumnus, friend and neighbor of Edward W. Eames for years during the latter's retirement, until their deaths last year within days of one another—and for many years a generous benefactor of the Academy—Milton L. Dodge of Newburyport in his bequest provided for the continuance each commencement-time at Governor Dummer of Special Prizes to be awarded to "members of the Senior Class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern for others have contributed to the strength of the Academy". With gratitude to Mr. Dodge, we award six Special Prizes.

In September, 1974, among an incoming group of 135 students, 30 new juniors entered the Academy. One of them has by quietly assuming a leadership role earned a Special Prize. In two short years he has made solid contributions across the spectrum of school life: as member of the *Milestone* Board, behind-stage worker for the Drama Club, sharing the leadership of the Social Committee; as thoughtful, fair-minded, hard-working participant in the demanding, and too often distressing, functions of the student-faculty Discipline Committee. Halfback on 1975's exciting soccer team, honor student in the classroom, he is—

Edward Fox Reed of Rehoboth

He can make a harmonica hum, a saxophone wail, a flute celebrate, a drum-set throb. By unselfish example and good-humored leadership he can make a new freshman feel at home or a harried faculty member feel appreciated. The catalogue of his contributions would make Walt Whitman blush: On the yearbook Board; a member of Red Key; dorm proctor; actor; Most Valuable Player in soccer for two years running; selected to the All-Preparatory School Soccer Team; Co-Captain of soccer and tennis, two of the Academy's most successful varsity teams; and on and off the Honor Roll, to boot—he is Nathan Detroit, he is "Arrow," he is

Daniel Evan Auerbach of Swampscott

The next recipient of a Special Prize has in four years at the Academy established himself as an exemplar of stick-to-it-ive-ness and moral toughness. He has continued to set high standards in everything he does. He was winnner of the Hale Scholarship in his junior year, is a nine-letter man in football, hockey and lacrosse, co-Managing Editor of the yearbook. A day student for three years, he met Mr. Clunie's request that he assume and continue in 1975-76 the high tradition of outstanding dormitory proctors in Mason Cottage by earning over the summer, the money to enable him to be a boarding student in this, his senior year.

John Jeffcott Ogden of Hamilton

You want a free spirit? You want a solid citizen? You want a plugger in the classroom; a bulwark on the soccer field; a bastion on the ice; a terror, an intimidator, an ingenious and inexorable scoring-machine in lacrosse—who out of over 100 draws at midfield this season must have won at least 150? You want a good guy, and somebody you can count on? I give you "Noysey"—

Brian Howard Noyes of Georgetown

This is the other half of the premier proctorship in Phillips; the other half of the co-captaincy's in soccer, basketball, and tennis; a nine-letter man; for two years in a row winner of the Most Valuable Player trophy in tennis; Sports Editor, then Managing Editor of *The Governor*; Chairman of the Student Council; member of the Cum Laude Society. But all of these together—yet more than any of these—he has represented what an old school like Governor Dummer, deep in tradition, most needs: tough-minded questioning challenging, fair-minded leadership.

Thomas Paul Balf of Rockport

What better way to climax the award of Special Prizes to members of the Class of '76 than with a young lady who has added a very special quality to the life of the Academy this year. Everything she has done, she has done with sparkle, with great good humor, generously, and with infectious enthusiasm. And in one year what has she not done? Intellectually curious, a superior student, she has turned up either as participant or supporter in every nook and cranny of the school's activity. Whether driving in, from deep on the attack, the goal that assured the girls' field hockey team its first undefeated season, or performing in the chorus of "Guys and Dolls," she stands out in a crowd. An enchanting, bewildering, bewildered Alice in Doug Baker's whimsical production of "Alice in Wonderland," our first and favorite English Speaking Union Fellowship girl—

Patricia Mary Thomas of Norfolk, England

Moody Kent Prizes

The Moody Kent Prizes are given annually to those students throughout the school, graduating senior or underclassman, who have achieved outstanding records in various academic departments. No more than one may be awarded to the same student.

The Moody Kent Prize for the highest standing in English is awarded to Mary Elizabeth Weldon of North Hampton, NH

The Moody Kent Prize for the highest standing in History is awarded to Edward Fox Reed of Rehoboth

The Moody Kent Prize for the highest standing in Mathematics is awarded to Ehsan Shahmirzadi of Tehran, Iran

The Moody Kent Prize for the highest standing in Science is awarded to Perry Marshall Smith of Worcester

The Moody Kent Prize for the highest standing in Religion is awarded to M. Philip Graham of Jordanville, New York

The Moody Kent Prize for the highest standing in Music is awarded to Sally Pendleton of Portsmouth, Rhode Island

The Moody Kent Prize for the highest standing in French is awarded to Nina Marie Chiara of Methuen

The Moody Kent Prize for the highest standing in Spanish is awarded to Frederic Gemmer of Cumberland Foreside, Maine

The Moody Kent Prize for the highest standing in German is awarded to Geoffrey Howland Wall of Newbury

The Moody Kent Prize for the highest standing in Latin is awarded to Martha Susan Zawacki of Ipswich

The Moody Kent Prize for the highest standing in Art is awarded to John Joseph Giampa of Plaistown, New Hampshire

Rensselaer Polytechnic Institute Medal

The Rensselaer Polytechnic Institute Medal is awarded to a member of the junior class who has been outstanding in the study of mathematics and science during the year.

Charles Eric Laub of Orchard Park, New York

Colman Scholarship

The Edmund Coffin Colman Scholarship is awarded to an undergraduate who has shown proficiency in the study of languages. The holder of this scholarship for the school year 1975-76 will be

Sally Pendleton of Portsmouth, Rhode Island

Ambrose Speaking Awards

I have been meaning to look up the year when the Ambrose Prize Speaking Awards were initiated. There have been Ambroses connected with the Academy for at least a century, and I suspect speaking awards date back to the 1890's, when Fred Marden Ambrose was a Trustee. Last night three seniors demonstrated the happy outcome of the conjoining of thought with eloquence. They are this year's winners in the competition:

Third: Peter Vogel Lawlor of Chelmsford
Second: Douglas MacIntyre Baker of Wenham
First: Nina Marie Chiara of Methuen

Thorndike Hilton Cup

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the Senior Class. With the cup goes a silver medal.

One of the attractive aspects of the Academy community in recent years has been the healthy representation of students from other nations. This year we have enjoyed the presence of 17 students from eight foreign countries. Their contributions have ranged from sports like soccer, track, and baseball; to activities like photography; to scholarship. Here several have mounted impressive challenges to their classmates. Indeed, this year's premier scholar in the graduating class, his lowest grade a high honor grade in English, himself second in the school in the 27th Annual Mathematics Association of America competition, in his first year in the United States, is

Sootpanoo Sinthavanuchit of Bangkok, Thailand

HONORARY CERTIFICATES

In just this moment before the award of diplomas, I have the happy privilege of bestowing honorary certificates upon two valued comrades through this final year for the Class of '76. Both of them English-Speaking Union Fellows from Great Britain, between them they have made here a wealth of contributions to the successes of the year. About the first, I spoke at some length in awarding her a Special Prize last night. With us since September from Gresharn's School, Holt, Norfolk, she has won our hearts. To Patricia Mary Thomas of Norfolk, England our thanks, and godspeed!

Peter Lake came aboard early in the New Year and proceeded to display infinite energy and extraordinary versatility. Perceptive, curious, quick of mind, he rapidly rose high among the scholars of the class. On a variety of occasions he demonstrated his talents as a speaker, an actor, a distance runner. Perhaps his most convincing performance (it made some of us wonder how America ever won the Revolutionary War) was a sweep of the wheelbarrow race, the three-legged race and the sack race during the late great Colonial games held as part of our Bicentennial observances. Onward now to even greater victories at Cambridge, Peter. Good luck!

Peter William Lake of Blundell's School, Tiverton, in Devon

And also a few surprises for Mr. Ragle! A clapper and a bottle of Wine.

Off we go into the wild blue yonder.....!

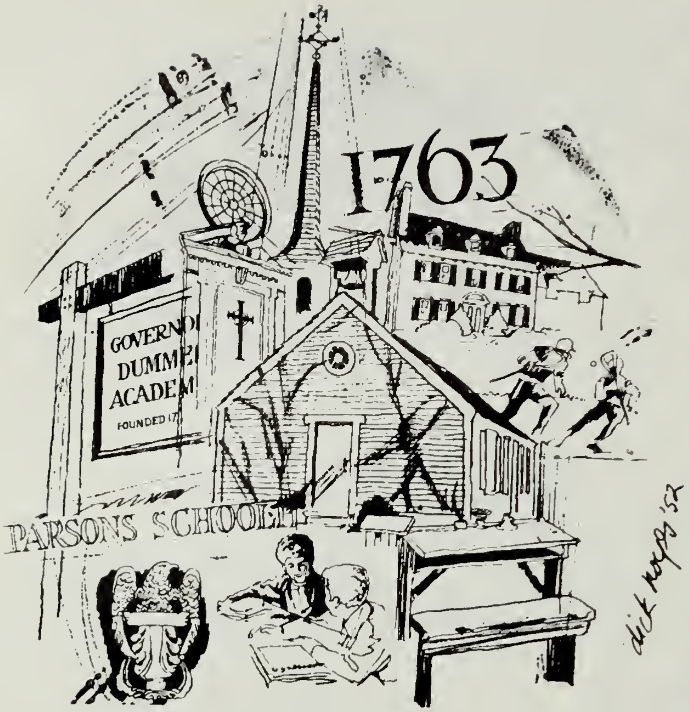
GOOD LUCK TO

THE GRADUATING CLASS
OF '76

REPRESENTATIVE AND
MRS. JAMES P. HURRELL



Governor Dummer Academy is widely known for its high academic standards and for the excellent learning environment the college preparatory school offers. Its historical beginnings extend as far back as the days of the Massachusetts Bay Colony, when Lieutenant Governor Dummer willed 500 acres to the town of Newbury. We are indeed fortunate to have this outstanding educational institution so near. The Newburyport area—a good place to live; the Institution for Savings—a good place to bank.

DEDICATION

In the first decades after the birth of the United States; America was faced with many great challenges and perils both home and abroad. "It was a period during which the new nation charted a pathway to security and prestige," but first she had to win the war for independence. To do all these things America needed men of great capability, courage, foresight, and initiative. For this she looked upon the scattered educational centers of the day: places such as Dummer Academy and Harvard College. Many graduates of this academy did help America achieve greatness under the influence of its first Preceptor, Master Samuel Moody.

We can only allude to a few of the 525 boys who graduated under Master Moody. "At the top of the list stands Theophilus Parsons and Rufus King." King was an able, showy, ambitious man who wielded great power in the U.S. Senate. He was skillful in diplomacy, and was as much at ease in the drawing rooms of princes, as he was with his comrades on the school green. He was four times elected to the Senate, and was later twice defeated candidate for the Vice-Presidency of the United States as well as a defeated Federalist candidate for the Presidency in 1816. Parsons had a profound influence on the development of the judiciary system in this country, and indirectly played an important part in the drafting of the federal Bill of Rights. It was at his office in Newburyport that John Quincy Adams studied law before he became sixth President of the United States. The distinguished lawyer William Prescott and Chief Justice Samuel Sewall were fitted for college here; so also were Judge Samuel Tenney of Exeter, and Nathaniel Gorham, who became President of the Congress. From a host of other men who rose to distinction in civil and political life there was Samuel Osgood of Andover who became the first Postmaster General of Massachusetts, and Samuel Phillips who deserves credit for establishing two noble institutions, Phillips of Exeter and Phillips Andover Academy, now known as Andover.

The list of Moody's pupils includes several men who helped serve and die for their country's freedom. Major Andrew McClary fell on Bunker Hill attempting to stem the flow of British troops leaving Boston. Captain Frederic Fry was an officer in the Continental Army under the leadership of George Washington. No name in the traditions of the school is more famous than that of Commodore Edward Preble. He led a fleet of U.S. ships against the Tripolitan pirates who had been menacing commerce of the high seas. Tobias Lear had been for many years the able secreatry and close friend of George Washington. He also distinguished himself as a skillful representative of his country in the Dominican Republic. It was he who ultimately negotiated with Tripoli the treaty with the United States.

Meanwhile, the President of Harvard College was Joseph Willard; another Dummer graduate. The three most important professorships on his faculty were held by David Tappan, Hollis Professor of Divinity; Eliphalet Pearson, Hancock Professor of Hebrew and Oriental Language; and Samuel Webber, Hollis Professor of Mathematics and Natural Philosophy. All were graduates of this great Academy.

Within the first decades after the birth of the United States men like Rufus King, Samuel Sewall, Samuel Osgood, Theophilus Parsons, Tobias Lear, Samuel Phillips, David Tappan, Eliphalet Pearson, Samuel Webber, and Joseph Willard played an important part in contributing to the growth, strength, and wisdom of the new nation. This they had in common, but also they all had in their youth gone to the Dummer School where they had studied under the famous Master Samuel Moody, the first Preceptor of the School.

We, the Senior Class, respectfully dedicate the 1976 Milestone to these outstanding Alumni and all who have followed, for their exceptional contributions to this great country of ours.

BICENTENIAL CELEBRATION

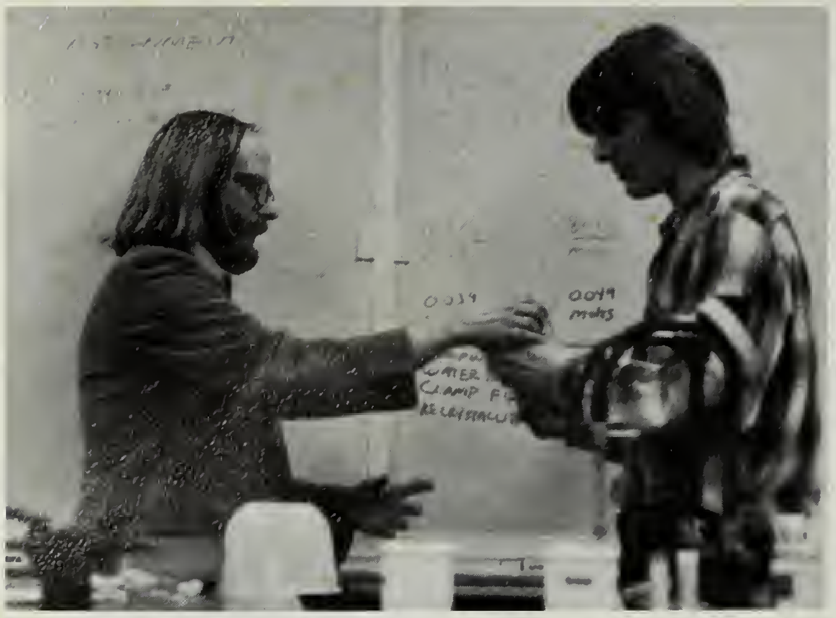
The Academy held a bicentennial celebration on May 5-8, 1976. On Wednesday and Thursday there were two seminars, one on the history of the school and another on the idea of revolution 1776-1976. Both were widely acclaimed by the student body as a whole. On Thursday afternoon there were a number of games and contests that would have taken place in colonial times headed by Mr. Abusamra. On Friday the entire school enjoyed listening to a very select and distinguished group of journalists and law experts discuss 'The Freedom and Responsibility of the Press.' Mr. Plante was moderator, he is editor of The Daily News, Newburyport. Mr. Acorn is editor of The Worcester Telegram and Gazette, and Mr. Winship who is the editor of The Boston Globe. Mr. Starr also spoke for the press. He is a journalist for the Wall Street Journal. Justice Armstrong of the Massachusetts Appeals Court and Mr. Halloway, an attorney presented the problems involved with law. Discussion centered on the 'gag' orders given by judges to the press in certain court cases.

That night a square dance was held in the old time style. The following day was Alumni Day and the Academy's old buildings were opened to visitors. It was a very enjoyable and interesting series of events for all who worked on it and those who saw it too.

Viewing the Tug of war-Heave-Ho!

On Wednesday May 26, 1976 in addition to the dedication a presentation was made to a very special person. To any and all the school her door is always open for a short chat or a discussion of a personal problem. She is always willing to help anyone. Her work knows no bounds just as her friendly spirit knows no limit. After a hard day in the office she can be seen doing some gardening in front of Mason or the dining room. She was concerned that several foreign students had no where to go during Christmas vacation, so she arranged for her sister to take them in for a short period. Her memory of all the graduates of past years shows her deep concern for them for she has kept track of most of them and can relate many tales. It is an institution in this school that all the faculty dogs stop in to see her once a day for a cookie.

Every day when I pass her office she invariably has some visitor. Several weeks ago some senior girls were in the blues as to their college prospects. She bet each of them a banana split that they would get in. They made it and she drove them to the Putnam Pantry for the bet. These are just a few examples of how her friendship is limitless. Perhaps even more important is her deep devotion and concern for the welfare of the school. I think I speak for both the faculty and the students in saying thank you to Margurite Ames.



THE END ....
...... AND A NEW
BEGINNING
